

HAND OF PRAYER

God's intension and desire from the beginning was to bless His creation. *Every good gift and every perfect gift is from above, and comes down from the Father of lights. James 1:17.* He sends His rain on the just and unjust. His sun shines on everyone. But there are special blessings, gifts and rewards for His own children. We must have the ability to take these promises and blessings for ourselves and spread it to those who perish. Use the Hand of Prayer to achieve this goal. The whole creation waits eagerly for the revealing of the sons of God. If we start to proclaim these promises of God continuously, seek His face and go the extra step, we will be able to spread these blessings, grace, peace and healing of God in Jesus Christ to our whole surrounding. *"I have come that they may have life and that they may have it more abundantly". John 10:10. When people are brought low and you say, "Lift them up"! Then He will save the downcast. Job 22:29.*
